

Deferred Revenue Schedule - as at 31 December 2025

This schedule reconciles amounts invoiced but not yet recognised as revenue at the balance sheet date.

Total deferred revenue as at 31 December 2025 is USD 2,340,000.

Of that amount, USD 1,025,000 relates to TitanRetail Group and is expected to be recognised during the first three quarters of 2026.

USD 615,000 relates to NovaClear GmbH under an annual prepayment received in June 2025.

The balance relates to a range of smaller subscription customers.
