

# **Management Accounts - Quarter Ended 31 March 2026**

Revenue for the quarter was USD 2,310,000, ahead of the internal plan of USD 2,180,000.

Engineering costs include the final instalment for the analytics engine rewrite, which was delivered by external contractors in November 2024 and capitalised over the following periods.

Cash at 31 March 2026 stood at USD 1,620,000 following the quarterly interest payment on the Meridian Bank facility.

Headcount at quarter end was 34 full time employees and 6 contractors.

Management notes that the largest customer relationship remains under negotiation for renewal.
